Come enjoy some of the most spectacular roads and scenery in New Jersey's Sussex County. Have fun while testing your ability to follow precise instructions along an intricate 90-mile course at legal speeds on little-used public roads. The Fall Foliage should be reaching the peak of color.

There will be course following challenges designed to induce you to stray off the official route and then bring you back on course without your knowledge.

No rallying experience or special equipment is necessary. All you need is a car (any car will do) with a working odometer (a trip odometer is preferable), plus paper and pencil. Please plan on staying after the rallye for lively discussion and the presentation of trophies.

Cost per car: \$25

Limit: 25 Cars
